HOW TO SET UP YOUR TRAVEL COT

Fig. 1

Fig. 2

Unzip and remove carry bag(fig 1),then remove the mattress base by unfastening the velcro straps(fig 2), and take out the travel cot

Fig. 3

Widen the four legs as shown in the diagram(Fig 3)

Note: The difference in the size of the "V" made by the short and long rails.

Fig. 4

(fig4) Starting with the shorter sides,pull up quickly in the centre of each rail to lock them in place .(1)

(fig4) Pull upward the long rail from the middle joint until they lock into flat position.

Note: Rail locks are in the centre of each rail. Enclosed by fabric.

Fig. 5

Push up the centre folding lever down wards until it locks in position (fig 5)

Fig. 6

Put the mattress base into the travel cot,and fix the velcro fasteners under the mattress on to the travel cot base.(fig6)

HOW TO FOLD YOUR TRAVEL COT

Remove the mattress base the travel cot and pull the center folding lever upwards minimum 2/3 position(fig 7)

Press the button of center joint of the four hand rails and press down to a "V" position.(Fig 8)

Note: before pressing the button, pull up the center joint of uprails.

The joint of rail must go downward both sides as show(fig 9)

If the joint of rail goes downward only one side (fig 10), then to repeat previous steps required, until the way comes correctly.

Arrange the four legs properly and then cover the travel cot with the mattress base fasten it by velcro straps as shown in the diagram.(fig11 &fig12)

Fig. 12

How to use the zipper entrance on the travel cot

Fig 13

Unzip the entrance, then the child can go in and out .

Warning: Do not leave the child unattended when he is playing in the travel cot.

How to use the wheels of travel cot

The travel cot is assembled with two feet and two wheels. Pull up the short hand rails at the feet side then move the cot. (Fig 14)

Warning: Do not move the cot while the child inside!

Fig 14

WARNING

1. WARNING: Be aware of the risk of open fire and other sources of strong heat, such as electric bar fires, gas fires, etc. in the near vicinity of the cot.
2. Warning: Do not use the cot if any part is broken, torn or missing and use only spare parts approved by the manufacturer.
3. Warning: Do not leave anything in the cot or place the cot close to another product, which would provide a foothold or present a danger of suffocation or strangulation, eg. Strings, blind/curtain cords, etc.
4. The cot is ready to use, only when the locking mechanisms are engaged and to check carefully that they are fully engaged before using the folding cot.
5. The lowest position is the safest and that the base should always be used in that position as soon as the baby is old enough to sit up.
6. If you leave the child unattended in the cot. Always make sure that the movable side is closed.
7. All assembly fittings should always be tightened properly and that fittings should be checked regularly and retightened as necessary.
8. To prevent necessary injury from falls that when the child is able to climb out of the cot, the cot shall no longer be used for that child.

Maintenance

1. If you use the cot outdoors, please clean all parts thoroughly after each use.
2. To clean use soapy water or soft cleaning detergent, Handwash the bag with soapy water. Do not iron, do not bleach.
